**Üniversitelerarası Kurul Başkanlığı**

Turkish Interuniversity Board (ÜAK) strongly condemns the recent coup attempt to overthrow the democratically elected and legitimate Government of Turkey. Serving as an active voice of freedom and democracy, all our universities stand against this unacceptable and shameful attempt against our national will and our parliamentary democracy, the rule of law and freedom. Remembering the devastation in our recent history caused by the previous coups, we also invite all academics and students in the world to stand against this attempt.

**Turkish Interuniversity Board (ÜAK)**

*The Inter-University Board is composed of two persons from each Turkish university, i.e., the rector and one member elected by the Senate of the university. The main duties are to co-ordinate and evaluate teaching, research and publication activities; to propose measures concerning academic staff; and to establish rules and regulations regarding doctoral work and granting of academic titles and degrees.
